Craftah Craft Fairs - Rules & Regulations

1) Space Reservation Rules

No Space shall be Reserved without a Signed Application and Space Fees Paid. Please Plan your Attendance in Advance. Some Fairs, Especially ALL Christmas Fairs, Fill Up Quickly & Typically have Waiting Lists. (Sometimes Unpaid Spaces Don't Show Creating Holes - We will Seek to Minimize this as Much as Possible - Unpaid Spaces may be at the End of the Line/Hall!!!)

2) Perfumes/Aromas

Please be aware that some people have allergies to certain aromas/scents. Please let us know on the application form if your display/product will have a scent that will be noticeable to your fellow vendors.

Do you have an issue with being next to products that have an aroma or scent to them? (Yes / No)

3) Vehicle Make/Model, License Plate Numbers & Parking

We ask for your make, model and license plate number of your vehicle on the application form so that we can find you in case of emergency. You may need to move your vehicle... You may have left your lights on...

Please unload thru any of the available exit doors. Come in & find which door is closest to your space before unloading.

Vendor Parking is the far back & side of building. There will be NO all day parking in the Public Handicap Spaces. Please do not park in customer parking spaces at building front. Please allow for public parking so they may easily come and shop.

4) Electricity

Electricity is available on Wall Spaces. It's always good to bring a long, heavy duty, extension cord, you may have to reach 25' to an outlet. Due to OSHA rules, you aren't allowed to string up or tape down a cord in public walkways.

5) Types of Spaces: Table vs. Display

For these fairs there are two types of space set ups: Display and Table. Display spaces are where you take up the majority of the space with a display. Table spaces are for where your display consists mainly of items on a table only. Due to the room's permanent structural design, this information on how you set up is needed to be accurate before you arrive. Thanks!!

6) Hall Choice

Christmas Fairs we open up Both Halls. The Large Hall is for Arts & Crafts. The Small Hall is for Arts/Crafts Overflow and Direct Sale Vendors who wish to Join in at that Time. The Hope is that our Customers will Find all they Like and Keep Coming Back!!

7) Space Sizes & Fire Code Requirements for All Public Walking Paths

Center & all Small Hall Spaces are 60 square feet - 10' wide x 6' deep. Wall Spaces are 80 square feet - 10' wide x 8' deep (Small Hall: all spaces are 10' x 6'). All walkways are 6' wide. Be aware of this as you create your display, please maintain borders & work with neighbors.

8) Times: Set Up, Show & Breakdown

Set up begins After 7 AM. The Fair is open to the public 9 AM to 3 PM. Any vendor who breaks down early without permission - the promoter reserves the right to reject any/all future applications or not observe/reserve any specific space at future events.

9) Vendor Responsibility

Vendors are responsible for their space, product and display. All tables brought in are to be rubber/plastic bottomed legs and be covered on all public facing sides to the floor. Eight Foot Tables and Padded Chairs are available if needed.

All vendors are to clean their area of all product, displays and debris before leaving the building.

Child Care: If you bring children with you, please make sure you keep them in sight at all times and that they are always accompanied when not in your space. Please do not allow them to wander the building or to disrupt other vendors by noise or playing in front of other vendor's spaces. Thanks!!

10) Voluntary Advertising Donations

We all know that getting customers is VERY important. A Fair can not have enough advertising. Some vendors have said they are willing to donate money to that cause. Those that wish to, can, on this line item. All this money will go directly to Ads!
